How I became a GMAD member

"So, Danny. What are you ganna be at the school Halloween party?" Tucker asked.

"I'm ganna be... You'll have to see."

Later

At the party, Tucker was Frankenstein's Monster and Sam was a vampire (typical). When they arrived, Danny was nowhere to be seen. "I wonder where he is." Sam said.

During the party, someone screamed. They all faced the girl and saw she had a hook around her neck. A red hand was holding her. The person holding her was a torn looking red fox like animatronic. Well, it was someone in a costume, but, nobody knew that. The fox had a hook on his right hand and had an eye-patch. "A-Arg me maties! Best ye' be givin' back me' treasure or this las be walkin' the p-plank." The fox started laughing at the students faces as he let her go. "I be jokin' lads!" He walked over to Tucker and Sam as the party resumed. The fox took his head off revealing...

"Danny?!" They both said. "Yep, you should have seen their faces! Pure comedy gold!" Danny put the mask back on and walked to the food table.

He got some punch when he felt a hand on his shoulder. "Not now Tucker I-" He turned around and saw a rabbit animatronic staring at him. "Uh- nows not the time to be jokin' Tuck." He realized it was a REAL animatronic. He screamed as the rabbit picked him up. Everyone's attention was on him. "Stop foolin around Fenton." Dash said. "OI! IM NOT! GET THIS THING OFF ME!" The rabbit screamed an ear piercing

scream as he dragged Danny out of there. "HELP ME! THIS RABBIT'S GONE MAD!" Dash realized he wasn't joking and ran to tackle the rabbit but was stopped bye a yellow chicken wearing a bib that said 'LET'S EAT!' She said "H-Hey children! I'm Chica!" Then a brown bear wearing a bow tie and a top hat walked by microphone in hand. "He is going to l-like his new appearance tomorrow." The bear said in a bone chilling voice and laughed.

Danny looked up to see the fnaf crew staring at him (Minus foxy).

End file.
